LEAD GOLDEN OPEN - 27-28 Dec 71, Lead S D (NG Armory)

Held over the Xmas vacation on a Monday and Tuesday this meet did not draw as many as hoped for but still was a great success as approximately 15 participated in the A class and 10-15 in the unrated sections. We will have to apologize for not having the correct figures on attendance but seems this information is not available at this time. A three way tie for 1-2-3 places with scores of 4 wins - 1 loss resulted with Ben Munson placing first, Bob Wallace second and Curtis Carroll 3rd on tie-break points. Munson defeated Wallace in round 5 to assure himself of 1st. Terry Likens from Rapid City directed the tourney and Mr Arthur Bayley, of Lead S D, did the ground work to promote the playing site & the many other details. This is a great boost to S D Chess and it is sincerely hoped that this tournament can be held annually in Lead.

SOUTH DAKOTA CHESS NEWS & INFO

Sounds like Art Tollefson, Sioux Falls, has been on the move. Art attended the Western Open in July 71, Midwest Open 71, and Sioux City Open in Oct 71. Art tied for 2nd in the Sioux City Open. Also active in that area have been Gerry Mortimer & Paul Salem. There may be others but no news has reached us of their activities.

The S D Chess Association would like to thank Mr R N Erickson of Spearfish S D for his contribution of \$5.00 to the S D Chess cause. This is much appreciated and as you will note below is the only reason this bulletin didn't deplete the resources that are available at this time.

* * * * *

It was discussed at the Lead tournament and decided that instead of trying to force SDCA dues of \$2.00 per individual each year an effort would be made to finance the few bulletins we do have by a percentage from each tourney held under the S D Chapter. This will be further discussed at Sioux Falls in May with the players from the Eastern S D area which were not represented at the Lead Open.

* * * * *

Finances are at a low ebb(hopefully to be given a shot in the arm soon) with the SDCA. Bank balance as of this printing is \$15.94 and out of that must come the cost of stencils, paper & postage for this bulletin.

Latest word on the Fischer-Spassky match is that they are having a problem on deciding on the site of the match. Fischer seems to favor Yugoslavia & Spassky favors Iceland. Stakes for this match have reached approximately \$150,000.00 with the winner taking home 2/3rds & loser 1/3rd. Bidding countries also will pay all expenses for players & attendants up to 2 or 3 for each individual. This world title match should start in Jun 72.

The bulletin will have to apologize to Paul Salem for not publishing his end game studies at this time but time has not permitted the study & also the typing up of the many variations he sent in. If time permits selected studies will appear in the next bulletin. Sorry Paul!!

Recent Boys Club Chess Club Meeting at Pierre S D was held with 14 turning out between the ages of 11-14. Another is planned for 3 Mar and maybe something may get started in this area for young peoples chess.

* * * * *

Art Tollefson of Sioux Falls has suggested we check into the possibility of S D High School Chess activities. A check into this with SD Education Association officials in Pierre is going to be made and perhaps something can be organized in this field for next fall.

* * * * *

Recent comments made at the Lead Open indicated a possible Black Hills Open tourney this coming summer in the Rapid City area. More on this in the next bulletin if it is being held as indicated.
