LOMBARDY - BENKO TIE FOR 1ST - 1975 US OPEN

Approximately 370 players participated in the 1975 US Open and when the dust had settled W. Lombardy and P. Benko each had 10 points in the 12 rounds. Eugene Meyer finished a clear 3rd with 9½ pts. Six SD players made the journey to Lincoln NB in August with the following results: Art Tollefson - 7½; G. Mortimer - 6½; J. Williamson - 6; Terry Likens - 5; Kevin Litke - 4½; Cam Starr - 4. Thanks to Sylvio Scorza, Orange City IA and Gerald Mortimer, Sioux Falls (president SDCA) we did receive a complete cross-table of the US Open but since it would take 8 full pages of typing to include them plus extra materials we will leave this for Chess Life & Review to put out next month.

USCF has been informed of the error in last year and preceding years listing of state champions. Letter has been received back stating that Art Tollefson would receive certificates for the two years he was omitted. They have acknowledge receipt of report giving Sam Priebe as the 1975 winner. This should close out this problem.
