

THE BULLETIN OF THE SOUTH DAKOTA CHESS ASSOCIATION

Chess for the fun of it

When I was a freshmen in college in 1971, a graduate teaching assistant in the English department, whom I thoroughly disliked, said something which I remember to this day. He said we should enjoy our time as undergraduate students because they would be the best days of our lives. I have come to agree with him that those times were probably the days I remember with the most fondness. Most chess players I know do not play chess for money, or glory or trophies. Most of us learned right away that we were not Bobby Fischer and that we were not destined for greatness. Most play chess just for the fun of it. I wish I could learn this lesson.

Every game causes me pain because losing bothers me so much. As a result my chess playing has been severely limited over the last 12 years, while on the advice of Jeff Barth and the urging of De Knudson, I have directed over 188 events in the last 12 years.. On the other hand this problem does not seem to afflict the majority of chess players. Most of them especially the scholastic players want to play as often as possible. We had the following number of players in events this fall.. Governors Cup Scholastic 64 Governor's Cup 133, Veterans Day Scholastic 116, All City Chess Festival 63, Brainpower Open 120. I would like to thank the many people who made these tournaments a success. The Sioux Empire Chess Foundation and the Knudsons did the most for Sioux Falls tournaments, sponsoring all of these tournaments. Home Schoolers played in all of these events. Pierre Indian Learning Center sent players to all events but the Governor's Cup. Grandview Elementary, the largest chess program in the state, attended three of the events. The Governor's Cup was successful this year because South Dakota sent thirty nine players included twenty of the top fifty. This is very good from a state which has only sixty-two regular adult members. We also need to thank Minnesota for their part in making the Governor's Cup a success. So enjoy playing chess because you will probably look back on it fondly as the best days of your life.

Several issues have come up which require the board of directors attention. We are still struggling to find a location in Pierre to hold the teams. If anyone has an idea let me know. Otherwise, the Teams will be scheduled in Oacoma on June 11-12. I am calling a special session of the board of directors to consider following proposal. The site of the South Dakota Closed would in Sioux Falls on July 24-25. This meeting would be held on January 29, 2004

at Kenny Anderson Community Center , 3rd and Bahnson, Sioux Falls, SD beginning at 7:30pm

This is your two weeks notice of that meeting.
